

Do you want to breathe fresh life into your relationships?

Listening can help you experience extra-ordinary growth in your marriage, family, and ministry relationships.

In *Listening For Heaven's Sake* you will:

- cultivate authentic relationships where trust and understanding naturally grow and flourish.
- break eight common listening habits that produce needless frustration, misunderstanding, and hurt feelings.
- convey genuine warmth, empathy, and respect that puts others at ease and creates a powerful, personal connection.
- listen to God and avoid burnout, codependency, and compassion-fatigue.
- overcome obstacles that hinder satisfaction in life and ministry.
- learn how to breathe fresh life into all of your relationships.
