

Equipping Ministries International presents . . .

Quick-to-Listen LEADERS

where life-changing ministry begins

A remarkably practical training that every small group leader, deacon, elder, and church staff member will benefit from. Learn to practice Christ-like techniques to deepen your fellowship and outreach.

A PRACTICAL SEMINAR THAT WILL HELP YOU:

- learn how to listen with the mind of Christ.
- discover your leadership temperament and listening style.
- direct ministry time and energy to where it's needed most.
- evaluate your church's spiritual growth.
- deliver outstanding results through healthy relationships.

Are you ready for outstanding Leadership?
