

Quick-to-Listen LEADERS

where life-changing ministry begins

**A biblical antidote
to the disease of
poor relationships!**

**Remarkably practical
training that every small
group leader, deacon,
elder, and church staff
member needs to...**

- Discern God's big-picture vision.
- Direct ministry time and energy to where it's needed most.
- Draw on their leadership temperament and listening styles.
- Deliver outstanding results through healthy relationships.
