

Guiding Life-Changing Small Group Workshop

Small groups have the power to change lives and develop biblical community . . . Guiding Life-Changing Small Groups is a 1-Day, skill-based workshop that will help equip your small group leaders, pastors, and church lay leaders with the tools they need to successfully navigate through the critical stages of group formation.

A PRACTICAL SEMINAR THAT WILL HELP YOU:

- **successfully meet individual needs during five critical stages of group life.**
- **gracefully manage extra-needy, uncooperative, and challenging group members.**
- **efficiently trouble-shoot common group problems.**

Are you ready for something different?

Guiding Life-Changing Small Groups workshop gives you the practical skills you need to develop life-changing small groups.
